HEALTH – The End Of An Era

In 1919 Dr Elizabeth Gunn founded New Zealand Health Camps, more properly termed the King George the Fifth Memorial Children's Health Camps Federation.

In 1928 New Zealanders with a Scandinavian background approached the New Zealand Post Office suggesting the issue of Christmas seals like those produced in Denmark. Instead it was decided to release annual Charity stamps, with a surcharge to support "sanatoria or some similar health project".

The first New Zealand Health stamp appeared in 1929 with the 1d Charity surcharge in aid of the International Anti-Tuberculosis Societies: "HELP STAMP OUT TUBERCULOSIS".

The following year a similar stamp was released inscribed "HELP PROMOTE HEALTH" and the New Zealand Government Health Department suggested, and had approved, that health camps for delicate and undernourished children receive the proceeds.

In 1931 two Health stamps were issued, popularly known as the "Smiling Boys". Further annual designs have included: "Hygeia" Goddess of Health; the Pathway to Health; a Crusader (Crusade for Health); The Key to Health; a Health Camp (Safeguard Health); a Hiker rock-climbing; Children, at play, with a beach-ball on the beach, and on a swing.

Members of the Royal Family featured on Health stamps are: Princess Elizabeth, Princess Margaret, Queen Elizabeth II, Prince Charles, Princess Anne, Prince Andrew, Prince Edward, Diana Princess of Wales, Prince William, Prince Harry, the Duchess of York and Princess Beatrice.

Other designs have included the London Statues of Eros, Piccadilly Circus and of Peter Pan in Kensington Gardens; scouts, guides, boys' brigade and girls' life brigade; numerous species of New Zealand birds and other wildlife; sport and Olympic Games; and the 50th, 75th and 80th anniversaries of Health stamps.

Perhaps the most 'famous' modern Health stamps are 1996's Teddy Bears: two stamps, gummed and self-adhesive, that were intended to have been withdrawn and replaced by redrawn designs. As is well known some escaped the withdrawal notices, and were issued from Te Ngae, Rotorua and Royal Oak, Auckland Post Offices.

Such has been the annual situation for 88 years, 1929-2016. Sadly no more. A letter has been received from New Zealand Post and Stand Children's Services Tu Maia Whanau, saying that due to declining mail volumes and a similar decline in the total numbers of Health stamps sold each year, it has become no longer financially viable for New Zealand Post and 'Stand' to administer this stamp issue. This must have been a fairly recent decision because NZ Post's 2017 Stamp Issues Calendar showed the 2017 Children's Health set and miniature sheet due 6 September 2017. Regrettably thus 2016's 'Being Active' set is now New Zealand's final Health issue.

The End of an Era indeed.

The British and Irish Lions New Zealand Tour 2017 (3 May 2017)

Oh dear, oh dear, what were they thinking? I am sorry to say, in my opinion, this is an awful sheetlet of stamps, accompanied by an atrocious FDC. The cartoon style sheetlet contains seven \$2.70 stamps but you have to look hard to make them out as they seem to blend into the NZ map background, especially the four upper North Island stamps. The FDC is a lurid red and the least said about that the better. I would suggest that very, VERY few of these \$2.70 stamps were postally used on letters 'home'. One to forget.

Designed by Dave Burke Design, Auckland and printed by Southern Colour Print Ltd, Dunedin by offset lithography in the four process colours plus High Gloss Litho Varnish, on Tullis Russell 104gsm red-phosphor gummed stamp-paper, perf 14½, a seven stamp sheetlet

CALs Corner Part 62

by Andrew Dolphin

2017 Manawatu Philatelic Society

A \$1.00 gummed CAL was issued on 4 March 2017 to commemorate the 95th anniversary of the Manawatu Philatelic Society 1922-2017, meeting in Palmerston North. The CAL depicts a wind-turbine against a deep blue sky, from a photograph by Tony Charleston. First Day Covers were prepared 04 March 2017 Manawatu MSC, which postmark featured three wind-turbines. The FDC were carried by Special Mail-Van from Feilding to Palmerston North.

2017 Mt Eden, Auckland flower design

A \$1.00 self-adhesive CAL has been produced March 2017 depicting the large pink flower design, previously utilized by both 'Pan's Garden' and 'Quartermain Accountancy', both of Coles Avenue, Mt Eden, Auckland. This time there is no wording on the CAL at all, so it could be for either entity, or both!

2017 Three Peaks

This unusual self-adhesive CAL was produced in March 2017, with the denomination of \$2.80. This was the large FastPost rate, so I surmise that this CAL was prepared for a specific function to send out large-size company documents or the like.

2017 Chinese or Japanese characters

Another mystery self-adhesive CAL, produced March 2017, this time at a \$2.20 rate. This is the airmail postcards rate and also the rate for airmail letters to Australia and the South Pacific. Other than the characters the only wording on this CAL is '2016/17 New Zealand'.

2017 Mike Pero motorbike

A \$1.00 self-adhesive CAL from April 2017, featuring an action shot of a speeding motorbike, bearing the number "8" and with Mike Pero's signature at the top of the CAL. This is another release in the long running Mike Pero Mortgages series of CALs.

2017 Auckland Finnish Society Inc.

A \$1.00 gummed CAL was issued April 2017, celebrating 100 years of Finland. This is a most attractive CAL featuring a photograph of the Aurora Borealis or Northern Lights. So this CAL fits in neatly with NZ Post's Aurora Australis (Southern Lights) set of stamps from February.

CALs Corner Part 62 (cont.)

The design is by one of the Auckland Finnish Society members and was chosen from several Auckland Finnish Society stamp design competition entries. The CAL commemorates Finland's 100th year of independence, from Russia, in 2017. Also produced was a postcard depicting a basket of Finnish Bread and inscribed 'Suomi Finland 100'.

2017 Kereru

Continuing her series of excellent New Zealand birds photography is this May 2017 gummed \$1.00 CAL depicting a Kereru or New Zealand Pigeon, from Paula Wilkinson.

2017 RIJYO Holdings

A \$1.00 self-adhesive CAL has been produced May 2017 featuring three large crayfish, for RIJYO Holdings (Fish Supplies) of Auckland.

2017 The Akaroa Mail newspaper

2009 saw the first CAL from The Akaroa Mail and now in 2017 comes their second one. This is a \$1.00 gummed CAL released June 2017, and inscribed 'The Akaroa Mail, Economic & Effective Advertising, The talk of Banks Peninsula since 1876'. Akaroa is the historic French and British settlement southeast of Christchurch.

2017 Soil & Health Association

This \$1.00 gummed CAL was issued 7 June 2017 advertising the Auckland Branch of the Soil & Health Association. This is an organization interested in organic gardening and natural health. They produce newsletters and have speakers at their monthly meetings. The design of a rainbow and a seedling is by club-member Bruce Grenville. The CAL is inscribed 'Meetings Third Tuesday each month Horticultural Centre, 990 Great North Road, Western Springs' and their website details. FDC, a small printed envelope, were produced; a larger envelope containing the June newsletter and stamped with the CAL was also available.
